

Kristin Yost

Presenter & Workshop Clinician

About Kristin

Kristin Yost brings fantastic energy to groups with her engaging presentations, sense of humor and attention to detail. Her ideas are thoughtful, meticulously organized and always looking ahead. Yost has been a presenter all over the United States as well as Europe, with presentations focused on music business, creative performances and how to teach popular music. Scott McBride Smith has this to say: I consider Kristin Yost to be one of the top leaders in piano teaching today. Her workshops are fun, engaging and full of practical information that will help every teacher.

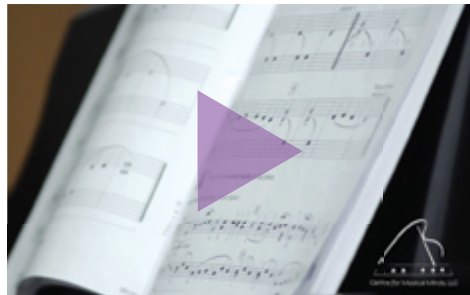

I consider Kristin Yost to be one of the top leaders in piano teaching today. Her workshops are fun, engaging and full of practical information that will help every teacher.
